

General Information Zane Trace MS/JH (Grades 5-8)

Welcome to Zane Trace Local School District! We have 1600 + students in the District (Effective District per ODE guidelines). Working toward excellence!!!!!!!

We have approximately 530 students in grades 5-8 in the MS/JH building. Class size is capped at 25 in all grades! The school day is from 8:15 a.m. (Tardy bell) - 2:35p.m. Bus service is available for all students. For more information on Transportation routes and times contact Dave Norman @ (740)775-7287. Breakfast is \$1 and begins at 7:45 every day. Lunch is \$2.25. Fee Waivers are available if necessary for labs, cafeteria and sports transportation costs.

There are 2 separate master schedules for our building; 5/6 grades and 7/8 grades operate on the same times in the AM and different times in the PM. Periods are 48 minutes long with a 33 minute intervention period at the end of the day taught by regular education teachers for assistance and help with classwork as needed. OAT (Ohio Achievement Test) preparation is concentrated on in the 2nd semester during the Intervention period. We have an excellent band, academic and athletic programs featuring many areas of interest.

In the 8th grade the students have the opportunity for High School credit in Algebra 1 (all 8th graders are enrolled in Algebra 1), Health and PE. If they reach an 85% average and miss no more than 6 days per nine weeks they will receive credit towards meeting graduation requirements.

We will be glad to answer any other questions when you arrive or as questions arise before then. Thank you for choosing Zane Trace Local Schools for your child's educational needs. Have a good day!

Bret Mavis and the MS/JH Staff
