

Kindergarten Registration Q & A

How old must my child be for me to register him/her for kindergarten?

In order to register for Kindergarten, your child needs to be 5 by August 1.

How will I know the dates of registration?

Registration is done in April each year. Radio, newspaper, and the Zane Trace Elementary Facebook page will publicize the dates. You will need to call the school for an appointment to register your child.

If I can't make it on the scheduled dates for registration when should I register my child?

Please call the elementary office at 775-1304 for information.

What kind of documents do I need to bring with me when I come?

In order to register, the kindergartner's parents **must** provide the following:

- Birth certificate
- Immunization records
- Social Security number of child
- Proof of residency (Driver's license with current address, rental agreement, deed, etc.)
- Custody papers if they apply.

Without these documents, your child will not be able to be registered.

When will my child have his/her screening?

Pre-screening of kindergartners is done in late May.

When will I know who my child's teacher is and what bus he/she will ride?

Letters will be sent in the mail the first week of August.
