

ZANE TRACE LOCAL SCHOOL DISTRICT

946 State Route 180 • Chillicothe, Ohio 45601 • 740-775-1355

As we have all been watching the COVID numbers increase around Ross County and infiltrating schools since they are all back in session, I wanted to take a moment to emphasize the importance of maintaining our safety protocols. Our goal is to keep our students and staff safe while maintaining in-person instruction. The two biggest factors that impact that goal is the recommendation to wear masks and vaccinations. On behalf of the Zane Trace Local School District, we urge our school community to wear masks when attending school, extra-curricular activities, and events. We would also encourage our school community and students between the ages of 12-19 to consider being vaccinated. We are aware of the importance of keeping our building open for instruction and preserving the mental health of our students and staff. In order to continue to remain open we must exercise the necessary health and safety protocols. Thank you!

Respectfully,

Jerry Mowery
Superintendent
