

[Chillicothe-Ross Community Foundation](#)

We are pleased to launch our 2019 scholarship season to local high schools. This year your Community Foundation will award 40,000 to local Ross County Students through its 12 available scholarship funds.

Deadline for all scholarship applications is March 22, 2019

2019 brings a **major change** in how we handle our application process. We have replaced the paper application process with a **new online system**. We would appreciate your help directing students to apply for scholarships provided by the Chillicothe-Ross Community Foundation through the new online portal.

A description of each scholarship and a link to the portal is on our website at <http://crcf.net/scholarships>. At the portal, students will be asked to create a secure account. Then they will have access to all the applications the Foundation has available. Each application will have several files required to be uploaded, including a High School transcript. We hope that you will assist your students with this. If you'd like to take a look, feel free to create an account and try it out. I'd love to hear your comments and suggestions.

We are available to answer any questions from you or your students.

Follows are the scholarships available:

For ALL Ross County Students:

Clyde and Grace Moss Scholarship Fund

Mary Margaret Black Scholarship Fund

Homebuilders of Ross County

For Zane Trace High School Students

Roy A Congrove Memorial Scholarship Fund

Zane Trace First Class Scholarship Fund

Thanks for your assistance in promoting the scholarships available through your local Community Foundation!

Scott Graham, *Executive Director*
