Dear Parents,

This is notification that your child will be taking the Ohio State Test in Reading and Math within the next week. The purpose of the test is to measure your child's growth and monitor their achievement. Your child will have two ninety minute sessions each day they take the test. One session will be in the morning and the other session will be in the afternoon. The following schedule will be observed:

- Tuesday and Wednesday, March 24 and 25: Third Grade Reading Ohio State Test
- Thursday and Friday, March 26 and 27: Fourth Grade Reading Ohio State Test
- Thursday and Friday, April 1 and 2: Third Grade Math Ohio State Test
- Monday and Tuesday, April 6 and 7: Fourth Grade Math Ohio State Test

Students will be taking the test in their classrooms with Chromebooks. Students with special needs will be taking the OST according to the accommodations on their IEP.

Please do not schedule appointments on these days. Make sure that your child eats breakfast and has a pleasant morning at home. We wish all of our Little Pioneers good luck as they take this assessment. These will be the first assessments our students have taken on the computer.

If you have any questions or concerns, please stop by or give me a call at 740.775.1304. You can also email scongrove@ztlstd.org.

Sincerely,

Susan L. Congrove
