

## Lexia Core 5 Instructions

### **New instructions for Lexia 5:**

- Bring up your web browser.
- Type in address bar: [www.lexiacore5.com](http://www.lexiacore5.com)
- Click on student/parent button.
- Enter teacher email address: Use last year's teacher if school has not started yet. Teacher emails are first initial, last name @ztlsd.org  
EXAMPLE: [scongrove@ztlsd.org](mailto:scongrove@ztlsd.org)
- Use the user name and password you received last year.
- The student will be taken back to do the pre-test first and then will move to the correct reading level.
- After this, the students can just sign in as they normally did, except for using the web browser to type in [www.lexiacore5.com](http://www.lexiacore5.com). It would be a good idea to save this to favorites on your browser bar.
- If you have questions, call the school at 775-1304.
