**RESPECT**

Everyday, our Little Pioneers learn about RESPECT. It is not taught in a lesson, but shown by modeling what RESPECT is throughout the day. Please do your part modeling respect at home and/or school with your child. You can reinforce manners, follow rules, make them pick up things that fall on the floor, or address adults politely. At school, you can show patience/respect with waiting in line to pick up your child or dropping him off. Set great examples for your child. Your child will reap benefits from your example!
