BUG luncheon

## May 26:

Last day for all students: **Early Dismissal at 12:45 PM**

## Tee-Off for Technology

The Parent Volunteer Group is sponsoring the second annual Tee-Off for Technology this coming Saturday, May 7, at the Jaycee Golf Course off of Pleasant Valley Road, beginning at 9:00 AM. If you haven't registered, you can still come on that day with your team of four golfers. The entry fee is \$200.00 or fifty dollars per golfer. All proceeds go to purchasing technology for our students!

## Third and Fourth Grade Award Night

The Third and Fourth Grade Award Night will be on Monday, May 23, in the ZT cafetorium at 6:30 PM. **This is by invitation only. Your child will receive a letter if he/she is to receive an award that evening.** We will be honoring All A Honor Roll students for the year, All A-B Honor Roll students for the year, and a few other awards during the evening.

Everyday!**

## Summer

### Maintenance

Summer will soon be here. Please help your child maintain the skills he/she has learned by reading everyday and working on Reflex Math. Keeping skills sharp over the summer will allow your child to have an easier start when school begins again in August.

## RENEW YOUR KROGER COMMUNITY REWARD ACCOUNT

It is time to **renew** your Kroger Rewards account. Kroger's Community Rewards have positively impacted Zane Trace Elementary. If you are signed up and swipe your card while shopping at Kroger's, our elementary receives a monetary donation from your purchase. If you have not signed up or need to renew, please go to the [krogercommunityrewards.com](http://krogercommunityrewards.com) website and fill out the necessary information. **Be sure to choose Zane Trace Elementary as the recipient.** The money we receive from Kroger's allows us to purchase classroom supplies needed by the teachers. Please help us to help our precious Little Pioneers!

## Last Day of School

May 26 is the last day of school for students. Outstanding Attendance certificates will be given on that day. There is an early dismissal at 12:45 PM.

## Kindergarten Graduation

The class of 2028 will graduate from Kindergarten on Friday, May 20, in the Zane Trace High School Gymnasium at 9:30 AM. Parents will need to have their child in their classroom at the normal time. Pictures will be taken by Downtown Photography during the ceremony of your child receiving his/her diploma. Details about the pictures will be sent home later this month. After the graduation, parents will be able to take their child home with them since this is the last day for kindergarteners. Please call the elementary office if you need special parking arrangements for grandparents.

## What Should We Do Over the Summer?

Students should get a break from school work over the summer, but still should try and maintain the skills he/she acquired throughout the school year. Here are some ideas as to what your child can do this summer:

### Play Outside!

Students should play outside as much as possible. Children need activity to stay in shape and often use their imagination to play games outside. Of course, organized sports is good for your child as well!

### Limit Electronic Time

Students can still play on their electronics, but time using them should be limited. There is a link between Attention Deficit and time spent on electronic games.

### Practice Math Facts

Practice math facts on Reflex Math. Over the past year, we have seen tremendous growth with our students mastery of math facts by using the program.

### Read, Read, Read

Mrs. Congrove always tells the students that Reading Makes You Smart! Make sure your child has access to appropriate books that interest him/her. Encourage at least 15 minutes a day!
