- *Interims go home*

November 21-23:

- *Thanksgiving Break, no school*

Book Fair in Progress

Our annual Scholastic Book Fair is currently in progress through November 2. Book Fair is open to the public on November 1, from 3:30-6:30 PM. Students will visit the Book Fair on their library day. The fair provides many reasonably priced books that your child may purchase and enjoy. If you have any questions, please feel free to call the elementary office at 740-775-1304.

Third Grade and

Pioneer Singers to Perform

Our November PTO meeting will be on November 5, at 7:00 PM. After a brief meeting, the Pioneer Singers and all the third graders will be performing a patriotic program in honor of Veteran's Day. The Pioneer Singers are made up of third and fourth graders who choose to participate in the group. Mrs. Melissa Hoffhines directs the group.

Excellence
Everyday!**

Conferences

Parent Teacher Conferences will be on Thursday, November 1, from 3:30-6:30 PM. This is your chance to have a conversation with your child's teacher and find out how your child is doing. Letters will be sent home with appointments. If you want a conference, but did not receive one, please call the elementary office at 740-775-1304, to request one.

Drop Off Reminder

Everyone is doing a great job with the morning drop off! Please try to have your child be ready to get out of the car by having their bookbag ready and departing the car on the **passenger side** for safety. You should not have to get out of your car. If you get out of your car, you hold up the flow of traffic. Thanks for your cooperation.

Cookie Dough Pick Up

Cookie dough pick up will be on Tuesday, November 13, in the cafetorium from 2:00-5:30 PM

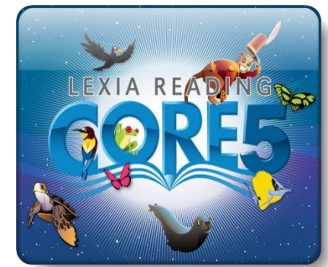

Emphasizing the Importance of Reading -- Part 2

- ▶ Children value the things their parents value: let your children see you reading.
- ▶ Plan a weekly Family Reading Night or an evening when you go to the public library each week. Show you value reading by maintaining the routine.
- ▶ Give books as gifts. For young children, give stuffed animals or book characters as gifts.
- ▶ Visit the web sites of your child's favorite characters, stories and authors.

Lexia and Reflex Math

Please be reminded that your child has access to Lexia Reading and Reflex Math online. Lexia is a researched based program that builds student reading skills. The program increasingly gets harder as they go along. Reflex Math practices math facts in a fun way. The key to students doing well in math later on is mastering those facts. It is our goal in the elementary that all students will have their math facts mastered before the end of fourth grade. Please make sure you have your child practice as much as possible. It's another way to make our children successful! To log in to Lexia, go to www.lexiacore5.com. Reflex math can be found at www.reflexmath.com. Both of these websites have links under the elementary tab at zanetrace.org. Your child's success is important to us. We want our Little Pioneers to be ready for the world when they graduate!

Veteran's Day

ZTES would like to thank all of the Veterans in everywhere, but especially those in our school family. Thank you for your service, so that we may have the many freedoms we have today!

Great Games Online

Kids ages 3-6 can play fun math games such as Farm Addition and Monster Numbers at <http://www.kidsdomain.com/games/math1.html>. Older children can play more challenging games such as 31-Derful and Go Karts at <http://www.kidsdomain.com/games/math2.html>.
