Conferences

Parent Teacher Conferences will be on Thursday, October 5, from 3:30-6:30 PM. This is your chance to have a conversation with your child's teacher and find out how your child is doing. Letters will be sent home with appointments. Some students will have appointments in October, and some will have appointments in November. If you want an October appointment and do not receive one, please call the elementary office at 740-775-1304, to request one.

Drop Off Reminder

Everyone is doing a great job with the morning drop off!

Please be courteous and remember to move up to the end of the curb if you are the first one in line, so that four cars can pull up at one time. Please try have your child ready to get out of the car with departure from the passenger side and bookbag in hand. You should not have to get out of your car. If you get out of your car, you hold up the flow of traffic, so please park in the lot and walk your child in if it is necessary to get out of your car. Thanks for your cooperation.

If you are picking up your child at the end of the day, PLEASE enter the building at 2:55 PM or after. The children will not be brought down until 3:08-3:10 PM. Just wait in your car until 2:55 PM if you are early. Please do not ring the bell before 2:55 PM unless you have an appointment and will be leaving before 3:00 PM. Miss Tami is very busy answering phone calls and so forth at the end of the day during this time. The children are still visiting the restroom and walking in the halls. It is very hard to maneuver a class of children through the halls with a lot of people standing in the hallway. Please help to keep our children safe. Thank you!

A B Cs Of Student Success

R is for RESPECT.

If children are to show respect for others, they need to understand what it is to be respected. Author Michelle Borba emphasizes these parent practices that nurture respect:

- Treat your child as the most important person in the world.
- Encourage children to have high -- but achievable -- expectations of themselves.
- Give love with no strings attached.
- Listen attentively and respectfully.
- Enjoy being together.
- Tell kids often *why* you love them.
