Math Night

ZTES will host a Math Night for preschool through grade 4 students on Thursday, October 25, from 6:30-8:00 PM in the cafetorium. Students will be able to play games as they rotate stations with their parents, and make and take different games home. There will be door prizes during the evening as well, and a drawing for prizes the next morning for those who attend. Don't miss a fun night of family fun!

KROGER REWARDS

Have you signed up to support Zane Trace Elementary on the Kroger Community Rewards website? If you haven't, please do. Register your Kroger Reward card and ZTES will receive a small donation from Krogers every-time you shop there (including gas!). Please help us by going to the site and registering. Make sure you choose Zane Trace Elementary! The money we receive helps fund some of the extras we need. Thanks!

Picture Day

The Elementary picture day is Thursday, October 11. Downtown Photography will be the photographer again this year. Picture money envelopes will be sent home soon. You may also order photos online at downtownphotos.com.

Conferences

Parent Teacher Conferences will be on Thursday, October 4, from 3:30-6:30 PM. This is your chance to have a conversation with your child's teacher and find out how your child is doing. Letters will be sent home with appointments. Some students will have appointments in October, and some will have appointments in November. If you want an October appointment and do not receive one, please call the elementary office at 740-775-1304, to request one.

Drop Off Reminder

Everyone is doing a great job with the morning drop off! Please be courteous and remember to move up to the furthest cone if you are the first one in line, so that as many cars as possible can pull up at one time. Please try to have your child ready to get out of the car with departure from the **passenger side** with the bookbag in hand. You should not have to get out of your car. *If you get out of your car, you hold up the flow of traffic, so please park in the lot and walk your child in if it is necessary to get out of your car.* Thanks for your cooperation.

Thank you for your cooperation!

Library Coin Challenge

The library will be conducting a coin challenge to buy books for classroom libraries the week of October 8-12. Students are to bring in a different coin each day.

- October 8: Pennies
- October 9: Nickels
- October 10: Dimes
- October 11: Quarters
- October 12: Any Amount

Friday, October 26: Go Pioneers Red, White, and Blue Day

A B Cs Of Student Success

R is for RESPECT.

If children are to show respect for others, they need to understand what it is to be respected. Author Michelle Borba emphasizes these parent practices that nurture respect:

- Treat your child as the most important person in the world.
- Encourage children to have high -- but achievable -- expectations of themselves.
- Give love with no strings attached.
- Listen attentively and respectfully.
- Enjoy being together.
- Tell kids often *why* you love them.
