Grandparent Days Celebration

Grandparent Days will be celebrated at ZTES during the month of September. It's an exciting time for our little ones because there is nothing better than have grandma and/or grandpa come to school to see them! Grandparent Days start at **9:15 AM** on each of the respective days for each grade level. Grandparents should be in the cafetorium and seated by 9:15 AM. The students will be brought in at that time by their teacher. Students will then find their grandparents and be able to sit with them while enjoying cookies and punch. Students will return to their classes at 9:50 and the grandparents will leave after the children are dismissed.

September 8: Fourth Grade
September 9: Third Grade
September 12: Second Grade
September 13: First Grade
September 14: Kindergarten

This is always a pleasant morning, and we hope that as many grandparents as possible will attend!

Labor Day

PICK UP TIME

Please be respectful and observe our pick up time entry into the building at 2:55 PM. Students travel through the building in that area until that time as well as use the restroom after recess. Thank you for your cooperation.

Playground Fun

The students have been having fun playing on the new piece of playground equipment since school started. The equipment builds muscles by allowing students to climb and keep their balance. It's a nice addition to the playground! Thank you to the Elementary Parent Volunteer Group for their substantial donation and also the Board of Education for their contribution. The students have really enjoyed it!

Lunchroom

We always enjoy seeing parents at ZTES!

Please remember that parents are to eat with their child only. Other children whose parents are not present are *not* to go to the parent/student

ABCs Of Student Success

A is for ATTENDANCE.

Attendance is a critical factor in any child's school success. Children should attend school every day, except in cases of illness or emergency. It is impossible to replace the learning that happens on any school day with make-up work. Regular attendance and promptness are good habits that are expected and appreciated at all levels of schooling and in the workplace. This year, make school a priority in your household. Commit to excellence in attendance. Your child's future depends on it!

What Does Respect Look Like?

Respect is being taught here at school, but you as a parent need to expect it at home from your child. Speaking and acting respectfully is an important life skill.

- Speak with respect to adults and other students. Don't say hurtful things to others. Do what is asked without question by parents and teachers. Remember, treat others the way you want to be treated.
- Use manners. Saying please and thank you goes a long way to make a good impression with others.
- Be responsible. Take care of yourself and property. Be sure to groom yourself before coming to school. Clean up your own messes.
- Have empathy. Show that you care about others.
- Follow the rules. Rules are put into place to keep everyone safe.

Parent Volunteer Group

Come and join the Zane Trace Elementary Parent Volunteer Group! Take an active part in the community and help our students at the same time. Parents or grandparents of ZTES students are welcome. The next meeting is Wednesday, September 7, in the latchkey room behind the cafetorium. The Parent Volunteer Group will be helping at Grandparent's Day in September. Other activities to help at are Santa Shop, Santa Breakfast, Family Fun Night, Kindergarten Graduation, and many more. It is a wonderful opportunity to make new friends and have fun as well. Please come!

“quoted”

“A word of praise is a 'verbal trophy' for a child.”
