Dear Sir/Madam,

Congratulations! At its meeting on October 25, the South Central Power Company Foundation Board of Directors awarded Zane Trace High School a grant in the amount of \$3,000 to purchase Chromebooks. You'll find the check enclosed.

The Board felt the Computer project offered by Zane Trace High School was deserving of the support of the members of South Central Power Company.

As per the application, it is expected that all of the funds awarded will be expended within one year of the award date. A final written report, including photographs representing your project and copies of receipts supporting use of grant funds, should be submitted within three months after the project is completed. Please submit your report to Liz Bainter, Community Development Ambassador, South Central Power Company, Po Box 250, Lancaster, OH 43130.

If you have any questions or need assistance, please contact me at 1-800-282-5064 extension 6252.

Again, congratulations and good luck with your project.

Sincerely,

Liz Bainter
